D. Frequently of the Board Meeting and Academic Advisory Body

- Frequency of the Board Meeting : Every Year
- Frequently of Academic Advisory Body : Once in Every Semester

E. Organizational Chart and Processes:

F. Involvement of Faculty / Students in Academic Affairs / Improvement:

Faculty	The faculty members are encouraged to pursue higher studies (Ph.D.), to upgrade their qualification & skills. They also attend NPTEL, FDP, workshops, Conferences & Seminars to enrich the knowledge to catch up with the state-of-the- art technologies.
Students	The students meet the faculty members regularly and HOD's of the respective departments twice in a week through the student's council, which facilitates free exchange of ideas from the students with regard to the improvements and performance

G. Mechanism / Norms and Procedure for Democratic / Good Governance

The students are appraised with regard to their performance through a uniquely designed format. This format works by a self-evaluation process by the students concerned in which the students make projection of their anticipated performance before a particular examination. The actual performance in the examination is compared with the projection and their deviations are evaluated. This helps the students to address the weak areas and make corresponding improvements. The students are taken care of an internal system,

in which a group of 15 students are closely interacted with a staff member who in turn will counsel them in-depth and solve their problems smoothly.

H. Student Feedback on Institutional Governance / Faculty Performance

Students are encouraged to express their grievances through a feedback form made for this purpose. This feedback is collected twice in a semester on regular basis. Besides, the students can also directly approaches the principal in case of any of problems are not being met out fruitfully.

I. Grievance Redressal Mechanism

System for Redressal of grievances of faculty, staff and students. The management of the college follows an open system of administration and grievances from staff and students are given the utmost attention. Complaints and suggestion boxes are kept at a number of places in the campus and also in the hostels. The suggestions and complaints are carefully looked into and remedial measures undertaken. Responses are also published through notice boards.

Students	The Chairman once a month and the Principal Twice a month meet the students directly and enquire them regarding the faculty performance, infrastructure, placement and training activities and other facilities required. Students at any point of time can meet the Chairman / Correspondent to get solved for any of their problems
Faculty	The Chairman once a month and the Principal once a week meet the faculty directly through staff meeting to redress any grievance that may be brought by the faculty with regard to facilities provided to them and improvements in infrastructure to be established for better teaching methods and techniques.
