

Annual Day Report 2021-2022

It's my pleasure to share the report of our college activities for the year 2021-22.

Sri Shanmugha College of Engineering and Technology believes in holistic education and adopts strategies that help learners to keep up with the changing times. We lay strong focus on integrating the twenty - first century skills into our classrooms that enhance the students' ways of thinking, learning, working and living in the competitive world. Our team of experienced faculty members work towards this goal and develop among the learners the skills needed for successful professional and personal life.

During the academic year 2021-2022 we have taken the best efforts with the support of the management team to impart holistic education to the students and this report showcases our accomplishments and fruitful endeavours.

Ladies and gentlemen, graduation day is an occasion to award degrees for the successful students and look back and rejoice at our accomplishments, cherish the fond memories, introspect on our shortcomings and resolve to become a better version of ourselves in the forthcoming years.

With all pride, I present the annual report listing down our activities and accomplishments for the period from July 2021 to May 2022. I am sure, after listening to the report you all will agree with me that we are focussing on providing quality education and grooming our students in all aspects to make them successful engineers.

- I would proudly say that this year is a year of accomplishment for SSCET. We have applied for NAAC and put ourselves through the acid test before the inspection committee and successfully accredited with 'A' grade with a score of 3.12 out of 4 by National Assessment and Accreditation Council.

- This year we are planning to reach another milestone, that is getting autonomous status for our institution and we are marching towards the same.
- We have appeared for NBA for our ECE department compliance and successfully completed the inspection and awarded accreditation till 2025, where 2 of our programmes CSE and Mechanical Engineering are already accredited.
- We have successfully completed our ISO audit to ensure the quality of the service on 16th of May and the certification is extended for another year.
- Our students have achieved 8 university ranks in the Anna University Examinations conducted during June 2022 and achieved one gold medal by Krishnan of Agriculture Engineering Department.
- We have inaugurated our 11th batch of freshers on 10th November 2021 with the guests of honour M.G.Vimal Prashanth, Vice President, Barclays Bank and Mrs.Leema Peter, Psychologist motivated the students.
- National Science day was conducted on 28th of February 2022, where our students made the event meaningful by exhibiting various projects.
- We have conducted Alumni meet on March 6th and invited all our Alumni's participate to share their experiences with us.
- Women's day was celebrated on March 8th with the students participating in various events.
- A faculty rejuvenation trip to Yercaud was arranged on 30th April and May 1st, all the faculty members joined and refreshed themselves.
- Parents meeting was conducted on 07.05.2022 to meet the parents get their feedback on further improvement.
- A national level technical symposium was conducted on 28th may organised by all the departments of SSCET. The event was inaugurated by Dr.M.Thirumoorthy, Scientist F, DRDO, Hyderabad. Students from more

than 35 colleges participated in the event in various technical events conducted by our students.

- We have organised more than 15 Seminars and guest lectures for the benefit of the students by eminent speakers from academia and industry
- Our students have participated in various events conducted by various colleges in the state. Totally 294 students have participated in various symposiums, seminars and workshops, won various prizes and brought laurels to the institution.
- Our faculty members have participated in 79 FDPs, 13 workshops, 14 Seminars, 69 webinars to enhance their knowledge to disseminate the same to our students.
- Our faculty members have published 20 research papers in national and international journals, published 2 patents and published one book on Data Science.
- Our students have special achievements in sports events in state and national level tournaments. I would like to list some of the significant achievements;
- Gayathri of 2nd year CSE participated in women wrestling competitions and has multiple achievements,

3 rd Tamilnadu senior wrestling (under 57kg)	1st place (Gold)
7 th Tamilnadu senior wrestling (under 55kg)	2nd place (Silver)
Tamilnadu Amateur Wrestling Association	2nd place (Silver)
6 th Tamilnadu senior wrestling (under 57kg)	3rd place (Bronze)
Tamilnadu State senior wrestling (under 53kg)	3rd place (Bronze)

- R.Soundarya of First year Agriculture Engineering has been selected for the President award for Bharath Scouts and guides.

- V.Sabareesh of Mechanical Engineering and M.Shankar of ECE are winners of District weight lifting competition in different categories.
- A.Satheesh kumar of III ECE has done Nobel World Record on 3rd October 2021 by performing silambam rotation for continuous 5 hrs.
- At this juncture, I would like to reveal our future plans of the department of physical education a world class indoor stadium and an open gym for the students. These two amenities are in progress and will be completed very soon for the use of the students.
- We have signed MoUs with 32 companies for internships, training and placements for our students.

Coming to the placements,

- This year we have achieved 100% placements in all the departments. 30% of our students got placed with 5.2 lakhs per annum and 30% of students with Highest package of 5.2 LPA
- **45%Students got placed with a salary above is 3.5LPA to 5LPA**
- 40% of our students have more than one offer in placement.
- 35 companies have visited our campus for recruiting our students this year.
- The CEO of ACABES International Ltd, Mr.Ramesh Kavil visited our campus and he has accepted our invitation to be member of our strategic planning and advisory committee and member of our governing council. The company also agreed for a MoU and for establishing an incubation centre for ACABES where our students will get real time projects and paid internship.
- We have inaugurated various clubs like,

Photography club
Maths and Science club
Tamil Literary Club
Fine arts club
Design club
Sports Club
Gardening Club
NDLI & Reader's Club
Developer's Club
Health and Hygiene Club

this year, for students' participation of their own interest. Every Saturday, club activities are conducted for the students. Experts from various fields are invited to train the students and competitions are conducted for the students.

With the Blessings of the divine and with the Guidance and support of our Chairman, Vice-Chairman, Executive Director, Joint Secretary, Governing Body and Academic Council Members, Teachers, Parents, Well Wishers, Staff and Students, we will strive hard to continue to maintain a very good reputation and quality among the self-financing Colleges in this zone.

Thank you!
