■ ABOUT INSTITUTION

Sri Shanmugha College of Engineering and Technology was started in the year 2011 by the industrialist and philanthropist, Thiru. K. Shanmugham.

SSCET is located in an Extensive campus of about 100 acres on the state highway connecting Sankari and Tiruchengode.

The primary objective of Sri Shanmugha College of Engineering and Technology is to provide quality education and enables the students to excel in the field of their choice. The Institution facilitates them to become skilled in technology, analyze the concepts and apply it for the real benefits which also ensures them to become confident and competent in Engineering and Technology.

The College has well-furnished A/C classrooms, state-of-the-art laboratories, computer centers and a well-stocked A/C library. Separate hostels with all the modern amenities are provided for men and women. The campus consists of lush green lawns, a playground and also furnishes indoor games facilities. A fleet of vehicles caters to the transport needs.

SSCET believes not only in educating the students, but also grooming characters, with moral and ethical values, thus building the nation. Since its inception, the college has been providing world-class facilities & infrastructure in education and learning. The emphasis is on transformational leadership rather than directional leadership. The aim is to establish new trends, introduce innovative training methodologies, and thus guide students towards the path to success.
