

## **NOMINEES CAMPAIGN PERIOD/PROCESS**

All Nominees shall have the rights to campaign to the student population and must conduct their campaigns in accordance with the guidelines that govern the institute campaign period/process.

1. All Nominees reserve the right to choose their preferred medium to campaign.
2. All Nominees, before the beginning of the campaign process, must inform the Principal of all media intended to be used for campaigning.
3. All campaign material must be vetted by the principal of the institute before the campaigning process.
4. All Nominees must present their manifesto to the student population.
5. All Nominees must respect the other Nominees and their properties.
6. All Nominees must build their campaigns around facts.
7. All Nominees have the right to a free and fair campaign and election season.
8. The Nominees should not offer any freebies or financial promises in their campaign.
